We quenched our thirst for style, comfortable in taste. Lavish, indulgent cocktails were ordered, while others stuck to the regulars. I tried it all. Music moved feet and drew smiles. We were living! To the good life, the beautiful life. Salut!

Bridget - they call her BB around here - seemed not to hear me,  
luxuriously lost in her Ligurian Martini. I'd forgotten what her  
question was anyway, as my eyes drifted to sea, sipping  
on my Negroni.
